This year the staff at Alwin Holland created a garden committee. The purpose of the garden committee is not only to develop plans for the future of our current garden beds, but also to plan projects for the students in and around the school related to gardening and enhancing the school environment.

The garden committee would like to raise funds to go towards the purchase of the following items:

- Garden boxes - the ones pictured below can be moved with a forklift
- Garden towers - there is one in Ms. Hedges' class - year round gardening
- Buddy benches - there are many options that can be permanently installed
- Various seeds, bulbs, shrubs and trees

The first fundraiser is through **Make It Sow**. This is a new fundraiser for us. It offers a variety of themed seed packages, starter pellets, starter mix, and plantable wrapping paper. As well, for every 10 seed packages we sell, Make it Sow will provide funds for one tree to be planted by a non-profit organization.

On the order form, include your child's full name AND your child's teacher's name.

Put cash and/or cheques in a clearly labeled envelope or ziploc bag. Cheques can be made payable to Alwin Holland School. Orders can be given to your child's teacher or the office.

All orders are due by **Thursday, March 15th**.

The items will be available at the school shortly after Spring Break.

Thank you for your support.
